Royal Mail Group - Flu Inoculation Voucher Campaign:

To: All Branches

Dear Colleagues,

Further to LTBs 488/18 and 497/18 a number of questions were raised.

Two of the main enquiries are answered as follows:-

- New Recruits are included in the 'Free Flu Jab' scheme.
- Any member 15 miles or over from a Lloyds Pharmacy can use an alternative company Chemist more conveniently located to obtain the Flu Jab and will be reimbursed on provision of a receipt, paid via T&S.

There were also requests for two NHS posters; 'Catch it. Bin it. Kill it.' and 'Guidance for Hand-Washing' which are attached to this LTB.

Yours sincerely

Dave Joyce
