Dear Colleague

LABOUR'S PROPOSAL TO SET UP BRITISH BROADBAND

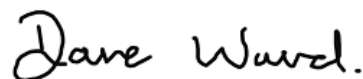

Following last week's LTB and Facebook live session, please find attached a Q&A brief that covers all the major questions from our members since Labour's proposal for the roll-out of free full fibre broadband was announced.

It is important that our branches and reps engage directly with members on this and forward this LTB and the Q&A brief to all relevant members where you have contact details.

Finally, we can advise a home mailing is also being sent to members next week setting out the full terms of Labour's offer.

Any enquiries on the content of this LTB please forward to gsoffice@cwu.org

Yours sincerely
