THE MOUNTAINEERS CLUB

AUCTION 101

Whether this is your first auction or you're a pro, it's always nice to know what the night will look like, and how to get the most out of your experience. There is no formal dress code, so come as you are! Read on and get ready for fun night in Wonderland with your Wedgwood community!

REGISTRATION

The first thing you'll do is check in at the registration table. You will swipe your credit card (if you didn't save it during online registration) and be given a number that you'll use all evening to purchase things – whether that's a game, auction item, raise the paddle, etc. Keep this number handy all night! There is **no need to check out at the end of the night, your statement will be mailed to you in April**. Just remember to take home all of your "winnings"!

COCKTAIL HOUR

Make sure the babysitter is on time because you won't want to miss cocktail hour. This year's cocktail will surely have you grinning just like the Cheshire Cat! But make sure to get one early, because when they're gone, they're gone!

SILENT AUCTION | CLASSROOM ART | "ALMOST LIVE" AUCTION

You have three different opportunities to bid against others and "win" something you can't live without. There will be three separate closings approximately 15 minutes apart. First is our Silent Auction. This simply means you bid on these items by placing your bid number on the bid sheet. Classroom Art works the same way! The "Almost Live" closing is also a silent auction, however these are items that really could be in our Live Auction! Bid sheets are placed in front of all items. Write down your bid number and watch to see if others try and outbid you. But if you really want something each item will have a "Buy it Now" price that guarantees you win! Our auctioneer will announce when the auction is about to close but when time's up, bid sheets are picked up immediately and the last number to be written down wins.

PARENT PARTIES & AFTER SCHOOL SPECIALS

These are parties for kids and adults, outside of school hours, that will have a variety of slots you can sign up for. If there's a party you want to sign up for, be sure to head straight for the sign up parties after you register! Because when the slots are filled, the party's over.

GAMES

Plinko will be making an appearance again and will cost you \$5 each play and all you need is your bid number. Looking for another game to play...we've got you covered. Head over to the gift card grab where you could win a gift card to your favorite local coffee shop for only \$10.

FOOD

This year, the food will be a catered buffet from Skillet. The food stations will be set up right outside the ballroom doors. Dietary restrictions? No problem, we've got choices that are vegan, vegetarian and gluten free!

HEADS OR TAILS

We love this game! This year there is no cost to play, just stand up and join in and watch the auctioneer flip a coin. Think it will be heads? Put your hand on your head? Tails? Well, I think you know where to place your hand. We will keep playing until there is one person left and the winner will take home a gift certificate for \$50 to Ridge Pizza!

BEST OF LIVE

Check out what we have in the Live Auction, see something you like? If you purchase a “Best of Live” raffle ticket for \$75, you have a shot at winning just about any Live Auction package of your choice prior to the Auction!* Be sure to check out the amazing Live Auction offerings by visiting our website AND by reading your auction catalog.

**Excludes: the complete orthodontic treatment from Green Lake Orthodontics. After all, we still need to raise the most money we can for Wedgwood Elementary!*

RAISE THE PADDLE

Every year the PTA meets with Principal Liu and, together with input from our faculty and staff, determines our school's specific needs that the district doesn't cover. There will be a number of levels of financial support (from \$25 to \$1,000) so you can consider the one that works best for you and your family and raise your paddle (bid card) to support our school! Your donation is 100% tax deductible, and please know that any amount will contribute greatly to this fund.

DESSERT DASH

There's no sweeter way to end the night. We have some serious baking talent among our community, so be sure to swing by the dessert table and check it out. See something that catches your eye? Before the Live Auction Program begins our auctioneer will announce that it's time for each table to turn in their dessert dash bids. Everyone at the table will have the opportunity to put down a dollar amount they'd like to contribute toward a dessert, and we'll add up the total amount for the entire table. During the Live Auction, our auctioneer will announce which table had the highest total bid, and they will get the first choice of desserts. One person from the table will have a brief amount of time to “dash” to the dessert table and pick their dessert, and we'll go on down the list.

WEDGWOOD AUCTION CATALOGUE

The auction catalogue will go home to all registered guests via kid-mail on or around Monday, March 16th. You'll be able to see the evening's schedule, auction items, classroom art, After School Specials and Parent Parties, and this year's Raise the Paddle focus. **Bring your catalog to the auction!**
